Umpires,

Welcome to Jeff/GRC. I need to inform you on changes to how Jeff/GRC will be paying umpires for the 2017 season. Jeff/GRC Little League is chartered as a not-for-profit organization. We are bound by certain federal restrictions that govern how we, as a league, can dispense funds.

The umpire pay week will be from Monday through Sunday. Starting with the 2017 Spring Season, Jeff/GRC will start paying umpires by via electronic check. On Sunday, I will send electronic pay reports to our bank. The bank will then process those payments on Monday and mail out checks to the address you have on file with Jeff/GRC. You should receive your check by mid-week.

Please fill out the bottom form and return it to me in person or by mailing it to the address above. Until this form is completely filled out and returned, I will be unable to pay you for your services.
